

# Welcome to the Bear Room!

Our Bear Room is designed to encourage the innate need of children to explore, adventure, and discover. It is thoughtfully put together with developmentally appropriate play and learning materials. In this toddler classroom, you will find blocks, puzzles, sensory supplies, books, and more. Arts and crafts projects are planned each day.

Children in the Bear Room must be able to drink from a sippy cup, feed themselves finger foods, nap just one time a day, and begin to take steps/walk without much assistance.

Toddlers have the freedom to choose what activities they are interested in during free play, laying the groundwork for our Montessori philosophy of education. Teachers guide and support their learning through play and other activities, helping them learn new skills and encouraging them to try new experiences.

# What Does My Child Need For The Bear Room?

- Diapers, wipes, and diaper cream.
- Crib sheet and blanket for nap time. These items are to be sent into school on Mondays to be used for the week and sent home on Fridays to be washed.
- Lunch packed inside a lunchbox with any necessary utensils. Teachers are able to microwave food if needed for lunchtime.
- Cups–leak–proof sippy cups filled with water and/or milk. Teachers will refill water cups throughout the day as needed. Please note that bottles are not allowed in the Bear Room.
- Seasonally appropriate full set of extra clothes and shoes to keep in cubby.
- Sunscreen (pump or stick only–no aerosol or continuous sprays are allowed) and a hat for outside time, if desired. Mittens can be sent in the winter–gloves may only be sent if the child can put them on without assistance.
- Backpack that fits lunchbox, papers, projects, and all belongings inside.

**\*Please remember to label all belongings are labeled with your child's name to avoid any confusion\***
